CONNECTING WOMEN FOR GOD'S GLORY

Building Bridges - Fall 2008

New Presentation for Servant Leaders!

Volume 1. Issue 4. 10/11/08

MOPS (Mothers of Preschoolers) International helps support young mothers by celebrating their motherhood and encouraging them to experience God's love through relationships with other young mothers. We've had the privilege of serving these sisters in the past and count it a blessing to serve at their Council meeting October 25th. Corey felt a tug on her heart when they specifically asked her to speak on leadership. As we've learned, when the Lord wants to speak through us, He will use life circumstances to equip and inspire. Over the past six months He's done just that, and we are excited to share our new presentation.

In the monologue "Who's Serving Whom?" a young mother's over-the-top life plan for herself and family changes as she matures and discovers the Lord uses children to transform our self-interest. In the message that follows, "Attitudes of Servant Leadership," we'll look at Jesus' attitude in Philippians 2:1-11, and we'll be inspired to choose humility so that we can be servants who allow Him to lead.

See details below!

We're excited to participate at The SPA! Come join us in a one day retreat for women to be held this Saturday, October 18th. The event will be held at Brooklake Church, 629 S 356th St, in Federal Way. Bask in His presence as Crimson Bridge leads us in sweet worship, and indulge your soul as you feed upon His word in seminars offered by Northwest speakers from Oregon to Canada. Corey will be presenting "Come Nourish Your Soul" from her new presentation "Alice in His Wonderland". The seminar will include the monologue "The Tea Party" where Alice is very cranky until she discovers if she eats what is good, her soul will delight in the richest of fare! Then in the message "The King's Banquet" we'll be inspired to indulge in all of what our King has to offer, and eager to hold out the Word of Life to a starving and thirsty world.

Bring a friend and get 2 registrations for the price of one—that's only \$35.00 for two women. Lunch is an optional extra \$7 per person, or bring your own.

Register online at www.thisisnew.org and use the promotional code 2for1 or call N.E.W. at 253-569-6938 to register by phone.

Prayer Support

Sisters in Christ Ministries continues to be blessed by the sustaining benefits of our prayer supporters. We thank you for the investment of your heart and time. Please pray for His anointing while Corey begins writing a book, yes a book! While working full time and celebrating Thanksgiving and Christmas Corey covets our prayers for time at the keyboard. We are excited to see where He is leading us in this new endeavor. Thank you again for your prays; they are blessing beyond words!

Financial Support

Sisters in Christ Ministries has been funded by honorariums from speaking engagements; the funds have been invested back into the ministry for ministry needs and growth. This year we are asking for financial support in an effort to more broadly publicize what our Lord is offering through us.

We are in the process of seeking a tax-deductible status. If you are led to partner with the ministry in this way, please email us. We covet your prayers for this area of our ministry.

A note from Corey . . .

Father Joseph Fox made an insightful statement "Grace is the currency of all true relationships." Sisters, let us rejoice that His grace is in the midst of our sisterhood. My prayer is that we'd embrace His grace for ourselves and others; it's the "glue" in our sisterhood and it enables us to be a witness to the world. Let us die to our self interests as *2 Corinthians 4:10-11* urges us to "carry around in our body the death of Jesus, so that the life of Jesus may also be revealed in our body. For we who are alive are always being given over to death for Jesus sake, so that His life may be revealed in our mortal body." Elisabeth Elliot's book, *A Chance to Die—The Life and Legacy of Amy Carmichael*, inspires us to live such a life as described in the scripture above. I encourage you to read it and embrace Amy's way of life; the sisterhood of the common life. It's much different than the sisterhoods of the world, though they could've worn pants and traveled!
