New From Sisters in Christ Ministries ...

Alice in His Wonderland & The King of Hearts

Come find the portal of the cross in a three part monologue series that takes us to a tea party and the queen's court. As we identify with Alice's struggles, we'll come to value His wonderland and our place in it.

Through the message series we'll look at the circumcision of the heart, so that we may enter into His rest, embrace His grace and bow before our King.

We are thrilled to be sending information regarding our newest presentation. Earlier this year at Crista's resource fair, there was much excitement and anticipation as women learned what the Lord is leading us to offer through Sisters in Christ Ministries. We are thankful that He answered our prayer for many opportunities to present the series this Spring. If you, or someone you know, would like this information—please call or email us.

Praise!

When presenting at smaller venues, there have been times when a cordless microphone has not been available. It is with great joy and thankfulness that the ministry has been able to acquire our own cordless system. Praise the Lord!

Prayer Support

Sisters in Christ Ministries are blessed by the sustaining benefits of our prayer supporters. Thank you for your prayers for Momentum 2008—the women did catch His vision for SICM! Thank you for your time. We continue in coveting your prayers. Please pray for His anointing while Corey is preparing and presenting, and for the hearts who will hear. Pray for many opportunities to share messages and unite our sisters in Christ. Your prayers are blessing beyond words!

Financial Support

Sisters in Christ Ministries has been funded by honorariums from speaking engagements; the funds have been invested back into the ministry for ministry needs and growth. All members of the board have been led to volunteer their time. This year we are asking for financial support in an effort to more broadly publicize what our Lord is offering through us. We are in the process of seeking a tax-deductible status. If you are led to partner with the ministry in this way, please email us. We covet your prayers for this area of our ministry.

A note from Corey about a work in progress

Over the years I've learned that children help us see our weaknesses and through these revelations we get a glimpse of the Father heart of God. I've been led to write the monologue entitled: "Raising Mom" and the message "The Father Heart of God". I'm excited as I put pen to paper (okay, fingers to keyboard) and allow His Spirit to lead on— Abba Father!

UPDATE — Raising Mom & Father Heart of God

It is evident that this season I'll be pouring out what He has so graciously poured into me. I look forward to the summer months when I hope to work on this new presentation, and offer it as a workshop at the Women Seeking Higher Ground conference this fall.
